INTRODUCTION

The Alberta Centre on Aging at the University of Alberta maintains a small collection of material on a wide variety of aging-related topics. The holdings include books, journals, newsletters, government documents, reports, and bibliographies. This document provides a complete listing of the material currently held in the library.

The library is normally open from 8:30am to 4:30pm, Monday through Friday. Please call 492-3207 to ensure a staff member will be there to assist you. Faculty, students, researchers, and members of the community are encouraged to use the library as a resource.

For more information, please contact us at:
