Journal of Pharmacy & Pharmaceutical Sciences

The Journal of Pharmacy & Pharmaceutical Sciences (JPPS) is a broad-spectrum, multi-media, peer-reviewed, international pharmaceutical Journal circulated electronically via the World Wide Web. JPPS is the official journal of the Canadian Society for Pharmaceutical Sciences. Manuscripts describing issues related to pharmacy and pharmaceutical sciences will be considered for publication in the Journal. Subscription to it is free of charge. Articles will appear individually as soon as they are accepted and are ready for circulation; hence, there is no preset publication date. Papers for submission to the Journal may be sent to the Journal Editor:-
