

ISSS-10

10th International School/Symposium for Space Simulations

July 24-31, 2011

Banff Conference Centre
Banff, Alberta Canada

Fellowship Application Form

A limited number of fellowships will be available for students and young researchers (≤ 30 years old). **The fellowships will cover costs associated with the accommodation and registration only. Applicants must fund their own travel to and from the school/symposium.**

To apply for a fellowship there are 2 simple steps.

Step 1:

The applicant should have his or her supervisor, or director of your host laboratory, send a brief recommendation letter emphasizing why attendance at this School/Symposium would benefit the applicant. The letter should be addressed to the "ISSS-10 Fellowship Application Committee" and sent via email to: iss10@ualberta.ca

Step 2:

Please complete and submit the following online form:

Lastname:

First name(s):

Sponsoring Institution:

Full and complete mailing address:

Email Address:

Phone number (include area code):

Fax number (include area code):

PhD Institute and Year (obtained or expected):

Position (i.e., Graduate Student, Postdoctoral Fellow, Research Associate, etc.):

Do you intend to make a presentation (poster)? No

Give a brief statement of why attendance at this School/Symposium would benefit you.

A confirmation that the application was received will be sent to your email.

Please send queries to:

E-mail: iss10@ualberta.ca
