Subject: YFEL Program 2016

Dear Professor Bertil,

On behalf of the organizing committee for the Young Future Energy Leaders (YFEL) 2016 program, I am pleased to inform you that the application for membership from Sukriti Gupta have been accepted. Your student was identified as one of the most talented and promising young applicants and we are confident she will make a significant contribution to the YFEL program 2016.

YFEL is a year-long program comprising of workshops, educational courses and knowledge enhancing events, details of which will be forwarded to you and your organization prior to each of these events.

At this point, we request your cooperation in enabling her to attend the World Future Energy Summit (WFES) 2016 taking place from Monday, 18 – Thursday, 21 January, 2016, in Abu Dhabi. The Summit offers the students an opportunity to engage and interact with global energy industry leaders. We believe attending such an international event will be an enriching experience, both on a professional and personal level.

In order to prepare the young professionals and students to effectively participate in the Summit, YFEL will have organized a **mandatory orientation session for Sunday, 17 January, 2016**. We are confident you will ensure your student attend this session without fail.

Looking forward to your cooperation,

Sincerely,

Zainab Abdul Rahim Al Ali,
Program Manager,
Young Future Energy Leaders (YFEL),
Masdar Institute
