

MATH 372
PROJECT REPORT FEEDBACK FORM

Project evaluated:

Grading scale: 1 = Poorly done, inadequate; 2 = Improvement needed; 3 = Satisfactory; 4 = Good, well done; 5 = Excellent to outstanding

	Mark	Comments
Introduction (background information and problem description)		
Formulation and sophistication of the mathematical model		
Suitability and depth of the mathematical methods used to solve the model		
Interpretation of results		
Critique of the model		

Other comments, overall impression:
