[#] Sixty-three percent of all respondents agreed that "refugees or immigrants need special programs and services to help them adjust to Canada. These 508 individuals wer then asked "What kind of programs or services do you think they need?" Up to three answers were recorded. Five hundred and one respondents provided a total of 872 answers. The percentages in this table are based on the total number of answers provided.

Note: Cultural orientation (codes 10-12, 18, 30-32, 34), ESL (13, 14), Jobs (20, 33), Getting adjusted (15-17, 35), Financial/etc. (21-23, 36, 41), other (1, 2, 19, 24).

^{*} Significance tests for city differences are not appropriate because of multiple answers by respondents.
